Dear Sisters and Brothers:

As most of you know, the Most Worshipful Grand Master Clay Hamblin, has closed all of the Masonic Temples in light of the COVID19 (Coronavirus) pandemic. He has also cancelled all Masonic activities until further notice.

With the current mandate from the Most Worshipful Grand Master, ALL Utah Eastern Star meetings, charitable events and all other activities are likewise **CANCELLED UNTIL FURTHER NOTICE.**

I hope that we will be able to reschedule some of the remaining Grand Visitations, but that will greatly depend on how quickly COVID19 comes to a peak, and we are able to resume activities, again.

I am going to ask ALL WORTHY MATRON's to put together a chapter call list and have the ELECTED line officers call members in your directory to check in on everyone and help where possible. If our members need help grocery shopping or just going out on a short walk, PLEASE help as often as you can.

In the same light, I am asking all members who can to support our charities: Huntsman Cancer Research, Best Friends Animal Society and the Education fund. We are asking members to please send a check in any amount that you are able to our Grand Secretary. Please don't worry about designating the charity. I am asking the Finance Committee to divide the funds equally between all three charities. Please be as generous as you are able.

I continue to ask that you follow the guidelines of the CDC and Utah Department of Health.

Stay home, wash your hands, and take care.

Most Graciously Yours,

Paula Alexandria Poglajen

Worthy Grand Matron
