To the Officers and Members of Subordinate  
Chapters of Utah Grand Chapter:

ESTARL is a familiar word in the vocabulary of Utah Eastern Star. The Eastern Star Training Awards for Religious Leadership have been given in Utah since 1954, and since that year the Committees have many times that amount in the lives of the recipients as well as the communities in which they serve.

Again this year we are dependent upon our members to become involved in publicizing the availability of these awards for spiritual leaders of tomorrow. Our future depends on those who will touch other lives through the awarded over \$418,000.00 to more than 320 students. There is no doubt that this investment has yielded returns of ir service in the role of religious leaders. Please encourage anyone you know who would benefit from this program to submit an application.

The applicant need not have a Masonic or Eastern Star affiliation. The Order does not discriminate in granting awards on the basis of age, race, color, national or ethnic origin, or religious beliefs. **All applicants must use the 2017 application** (copy attached).

The Committee would also like to encourage contributions to the **ESTARL FUND**. With the present economic situation, the interest we receive is very limited and so the available funds are less each year. Please **urge** your Chapter and members to contribute to this worthwhile project, which is a charity that we support exclusively through Eastern Star.

**Chapter Secretary, Please read this letter at your next business meeting. One copy of the application is enclosed. Please feel free to duplicate as necessary. Thank You!**
